Today's topic: **"TRIMMED SAILS or RABBIT TRAILS?"**

As business owners, opportunities arise to acquire or merge with other businesses, or to form some kind of legal or informal ongoing relationship with other organizations. How do we discern which opportunities to pursue or forego? The basis for our decision-making should be the Will of God as revealed by the Holy Spirit and the Word.

Partnership = the state of being legally associated with others in a business or other joint venture, sharing authority, risks, and profits

Association = a group of people joining together for mutually beneficial purposes

Alliance = a uniting of qualities in a perceived relationship

Merger = the union, or combination, of two companies

Acquisition = the gaining of something
