- Today's Topic: **YOU'LL NEVER FIGURE IT ALL OUT!**

***"As thou knowest not what is the way of the spirit, nor how the bones do grow in the womb of her that is with child: even so though knowest not the works of God who maketh all. In the morning sow thy seed, and in the evening withhold not thine hand: for thou knowest not whether shall prosper, either this or that, or whether they both shall be alike good."* (KJV)**

***"God made everything, and you can no more understand what he does than you understand how new life begins in the womb of a pregnant woman. Do your planting in the morning and in the evening, too. You never know whether it will all grow well or whether one planting will do better than the other."* (Good News) Ecclesiastes 11:5-6**

God gave us a brain, and He wants us to use it. However, there are limits to our ability to comprehend life, the consequences of our decisions, and His ways. In our highly intellectual, "well-educated" culture, we can become our own worst enemies! Be faithful, be obedient, plant and water seeds of goodness, and trust God for the increase in His time and in His way. If you try to figure it all out, you'll go nuts!

Let's share testimonies on how this applies to our organizations.
