- **Today's topic: How, when and where are you intersecting?**

And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people. --Matthew 4:23

Intersect = the act or point of intersecting; to cut through or across

Intersection = a place where roads intersect

Throughout the Gospels, we find that Jesus **went**. He deliberately **went** out to intersect with people, in all kinds of places and environments. Sometimes his intersections appear to be random, just out in the highways and byways of life. Other intersections appear more focused.

To sustain and grow, our businesses need to intersect with people who may need or want our products or services. In today's complicated world, there are many ways in which to intersect. We have a plethora of intersection tools at our disposal. However we choose to do it, we must deliberately intersect or our pipeline to new business and repeat business will eventually dry up.

So it is with our Christian witness in the workplace.

We all have different personalities. Some of us are more introverted or extroverted.

Let's chat this morning about how, when and where we intersect for the perpetuation of our businesses and the furtherance of the Gospel.
