**Fellowship of Companies for Christ
 East of the River Chapter
 March 16, 2016**

- Welcome! Opening prayer and praise reports
- Today's Topic: **Do You Understand Your Own Way?**

The wisdom of the prudent is to understand his way: but the folly of fools is deceit.”
 –Proverbs 14:8

As business owners, out of sheer necessity we must be men and women of “action.” We are, as the expression goes, “movers and shakers” without our spheres of influence. Matthew Henry, the famous commentary writer from centuries ago, describes it this way. We need to:

- Understand the **directions** of our way, that we may observe them;
- Understand the **dangers** of our way, that we may avoid them;
- Understand the **difficulties** of our way, that we may break through them;
- Understand the **advantages** of our way, that we may improve them;
- Understand the **rules** we are to walk by, and the **ends** we are to walk toward, and walk accordingly.

As we ramp up for Passion Week, how is your way impacted by the Resurrection?
